

**The Minister of Defense agrees with me in 1994. See his NB  
November 6<sup>th</sup> letter sent to the Economy and Finances Minister,  
Mr. SARKOZY**

Je vous prie d'agréer, Monsieur le Ministre, l'expression de mes  
sentiments les meilleurs.

*Bien à toi*

François LEOTARD

NB : Je t'adresse ci-joint les réflexions de M. J. BOYON, Président  
de la Commission de la Défense sur la progression spectaculaire des  
intérêts moratoires dans les dernières années. Il y a de une critique  
à laquelle il est véritablement IMPOSSIBLE de répondre de façon rationnelle

*Thanking you for your kind assistance in this matter*

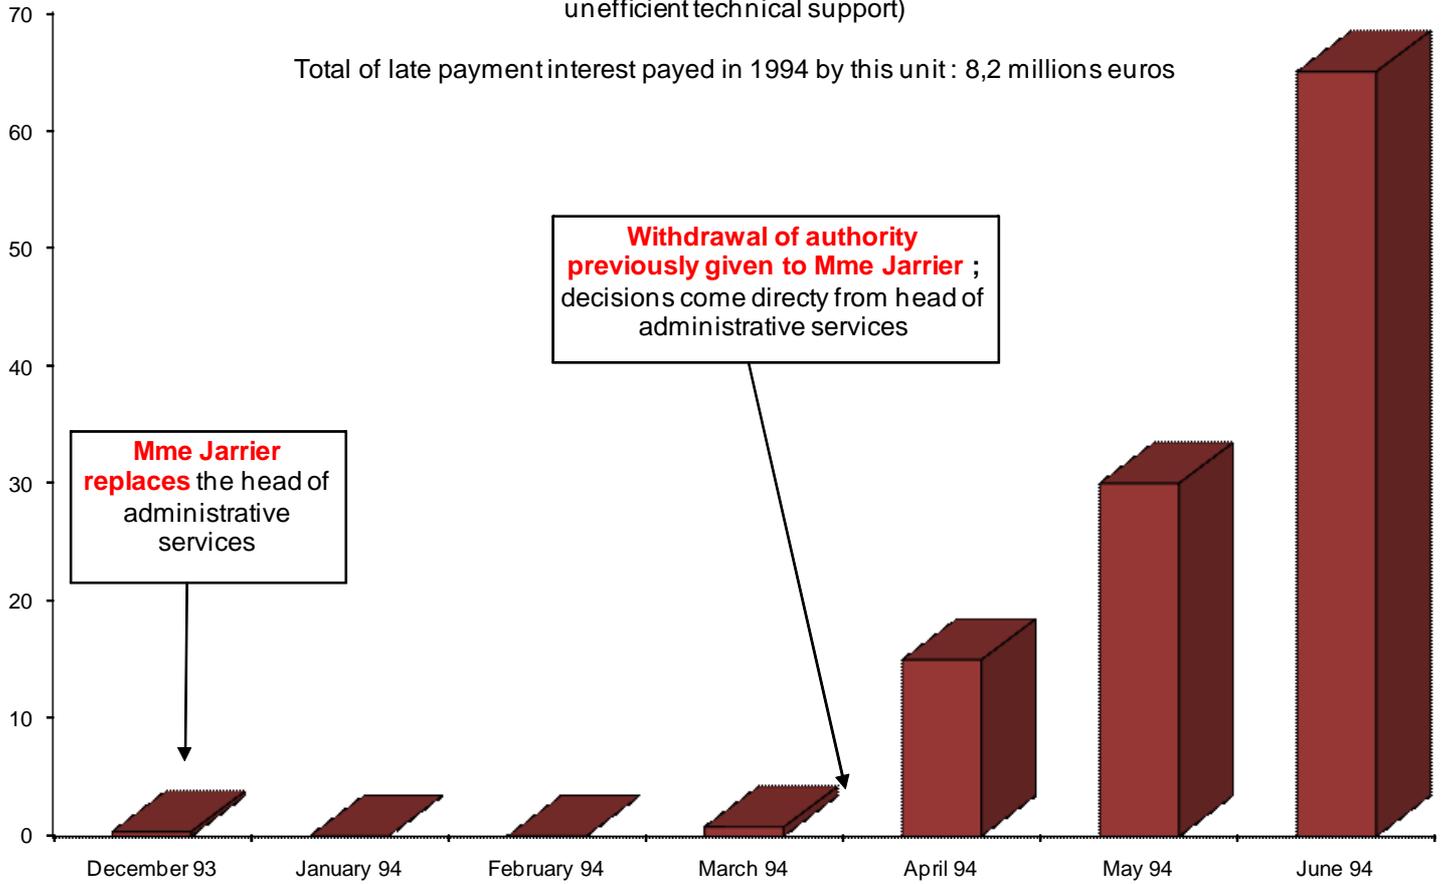

*Yours*

*Please find enclosed the reflections of Mr Boyon, President of the  
Commission of Defense at the "Assemblée Nationale" upon the  
remarkable increase in late payment interest in recent years. There is  
surely no rational argument to be made against the alarming  
nature of this phenomenon.*

## DEVELOPEMENT OF THE % OF LATE PAYMENT INTEREST CONCERNING MISTAKES IN INSTALMENTS AT DEFENSE/SIAR PURCHASE DEPARTMENT in Paris, France

100% = total of late payment interest due to : lack of funding + computer problems + mistakes in instalments + unefficient technical support)

Total of late payment interest paid in 1994 by this unit : 8,2 millions euros

**I took good care of public money,  
but I was demoted, my wages and my annual note report were lower.**
